Philippines in Figures is an annual publication of the Philippine Statistics Authority (PSA). The PSA reserves exclusive right to reproduce this publication in whatever form. The PSA including the title of the publication is to be cited as the source of the data when a portion of this publication is used in a report or article. The PSA is not responsible for any information derived from the processing of data contained in this publication.

## FOREWORD

The *Philippines in Figures (PIF)*, an annual publication of the Philippine Statistics Authority (PSA), summarizes various statistics generated by PSA and other government and private agencies.

It covers the latest figures on population and demography, health and vital statistics, education and employment, social welfare, crime and delinquency, among others. It also includes data on the different sectors of the Philippine economy such as income and prices, manufacturing, foreign trade, public finance, banking and insurance, energy, and mines and minerals.

The PSA acknowledges and extends its gratitude to all agencies which provided the data used in this publication. We sincerely hope that this publication will continuously and effectively serve as a useful tool for the statistical needs of our various stakeholders in the government and private sectors.

**CLAIRE DENNIS S. MAPA, Ph.D.**
